

# Prevent Summer Learning Loss with Summer Tutoring

We keep your child on track for next school year!

- Students can experience learning loss, if they don't participate in learning activities throughout the summer.
- Summer Learning Loss accounts for an average 2.6 months of grade level equivalency loss in mathematics computation
- Summer Learning Loss accounts for more than 2 months loss in reading and ELA skills.

## *Affordable Summer Tutoring*

- Home School / Tutoring At The Kihei Learning Center
- Online Tutoring – From Your Home
- Mobile Tutoring – Our Teacher Comes To You
